

Biomedical Engineering Club

Dear BME Alumni,

We cordially invite you to the Alumni event 2016, which will again take place on the roof terrace of the ARTORG Center in Bern.

See your former study mates and meet new friends during a relaxing Friday evening barbecue. Delicious food and all drinks are provided by the BME Club.

Important remark: This event is open to all BME masters alumni. Club member or not does not matter! All of the former master students are encouraged to join the party! So don't forget to pass this invitation to your former colleagues.

We are looking forward to welcoming you on **Friday, 19st August at 6pm** at the Murtenstrasse 50 in Bern.

Please sign up for the BME Alumni Event 2016 by sending a confirmation to:
fatih.toy@gmx.ch

Or by signing up via following Doodle link:
